### Tokyo Bird Walk—who Knew Japan's Capital Had Kingfishers, Buzzards and Terns?

The first time I saw a common kingfisher in the wild was at a former Japanese military ammunition dump. It was a frigid, gray December morning, and the spear-billed, blue-and-orange bird had alighted on a reed in a shallow pond surrounded by woods. The most pressing thing on this pint-sized piscivore's mind was probably breakfast—snagging something swimming by
